

TUBULAR SERVICES L P

January 29, 2004

Dear Eric:

As an employee of Tubular Services L P and on behalf of the entire company, I want to thank you for all the hard work you did on Wiser Oil vs. Tubular Services L P case.

I believe that the positive outcome was entirely a result of your dedication to our case. The integrity and knowledge of the law that you and your amazing team demonstrated during the preparation phase and during the case is to be commended above all.

I enjoyed working with you and your associates. The experience is one I will never forget.

Best regards,

Herbert Miles
